MODULE 5 PORTFOLIO ASSIGNMENT

Innovation & Market Positioning

Build, Test & Improve a Business Idea

SCENARIO

You want to launch a **new product or service**. Your goal is to **identify a real opportunity, structure your idea, test it, and improve it using feedback**.

OBJECTIVE

Create a **1-page Business Idea Validation Sheet** that shows how your idea can **create, deliver, and capture value**.

TASK

♦ 1. MARKET OPPORTUNITY

- Identify **one real problem**
- Who is affected?
- Why does it matter?

  "People struggle with _____ because _____ which leads to _____."

♦ 2. BUSINESS MODEL (Simplified)

- **Customer:** Who are you serving?
- **Value:** What problem are you solving?
- **Revenue:** How will you make money?

♦ 3. VALUE PROPOSITION

👉 "We help _____ who struggle with _____ to achieve _____ by _____."

👉 What makes your solution different?

♦ 4. MVP (TEST PLAN)

- What is the simplest version of your idea?
- How will you test it? (who, where, how)
- What result shows it is working?

♦ 5. PIVOT DECISION

- What feedback might you get?
- What is not working?
- What will you change?
