The Dispute & Scam Checklist

5 Key Scam Red Flags

1. Pressure to Leave the Platform Early

Client pushes communication to WhatsApp, Telegram, or email too quickly to avoid platform protection.

2. Poorly Defined Brief with Urgency

Instructions are unclear, yet the client demands fast delivery, increasing risk of unpaid or rushed work.

3. Uncertain or Delayed Payment Terms

Client avoids agreeing on payment upfront or promises payment after delivery without guarantee.

4. Suspicious Links or Attachments

Client sends unknown files or links that may contain malware or phishing attempts.

5. No Clear Scope Agreement

Client refuses to clearly define deliverables, revisions, or pricing, leading to disputes.

The 3-Step Dispute Protocol

Step 1: Pause & Stay on Platform

Stop all work immediately and keep communication within the official platform.

Step 2: Document Everything

Gather all evidence including chats, agreements, submitted work, and timelines.

GATEWAY Program

Step 3: Escalate Professionally

Report through the platform's dispute system and allow formal resolution.
