

GATEWAY Program

The Marketplace Entry & Profit Map

1. Portfolio Task: The "Marketplace Entry & Profit Map"

A. The Marketplace Search:

- **Platform Choice:** (e.g., TERAWORK, Upwork, or LinkedIn).

e.g. Platform Choice: TERAWORK (Choosing to earn in Naira for local needs).

TERAWORK

- **Job Selection:** Paste a link or screenshot of a "Verified" job post that fits your niche.

e.g. Job Selection: [Screenshot of a Social Media Manager post with a Verified Payment Shield].

<https://www.upwork.com/jobs/~022072051967586786479>

- **The Hook:** Write the first two sentences you would send to this specific client.

e.g. The Hook: "I see you want more people to notice and talk to your brand on Instagram. I helped a local boutique increase their comments by 40% last month, and I can do the same for you".

Extracting intents and product mentions from 30,000 health conversations is best handled with a Python NLP script rather than manual entry.

B. The Business Math (Tolu's Formula):

- **Proposed Bid/Price:** (e.g., ₦20,000).

e.g. Proposed Bid/Price: ₦20,000.

₦150,000 (Equivalent to ~\$100 USD project bid)

GATEWAY Program

- **Estimated Data Cost (₦):**

e.g. Estimated Data Cost: ₦4,000.

₦10,000 (Internet/data bundle allowance for processing and file deliveries)

- **Estimated Power/Fuel Cost (₦):**

e.g. Estimated Power/Fuel Cost: ₦3,000.

₦15,000 (Power/fuel costs during script development and execution)

- **Net Profit:** (Price minus Expenses): (₦)

e.g. Net Profit: ₦13,000 (This is your real income after expenses).

₦125,000 (Real income remaining after accounting for data, power, and platform service overhead)

C. The Safety Check (Emeka's Guardrails):

- Identify one "Red Flag" you will look out for in this specific niche.

e.g. Identify one "Red Flag": The client asking me to move the conversation to WhatsApp or Telegram before the contract has officially started on the platform.

A client who has posted multiple jobs with a 0% hire rate and asks to move communication off-platform (e.g., Telegram or WhatsApp) before an active contract and escrow deposit are funded on Upwork.

- **Digital Testimony Plan:** Write the exact sentence you will use to ask for a 5-star review.

e.g. Digital Testimony Plan: "I am glad we reached your goal! If you are satisfied with the service, please leave a 5-star review to help other clients find my business".

I am glad we delivered a clean, fully validated 30,000-row extraction dataset ahead of schedule! If you are satisfied with the accuracy and speed of the work, please consider leaving a 5-star review on my profile to help other health-tech teams find my data services.
